We're doing something...

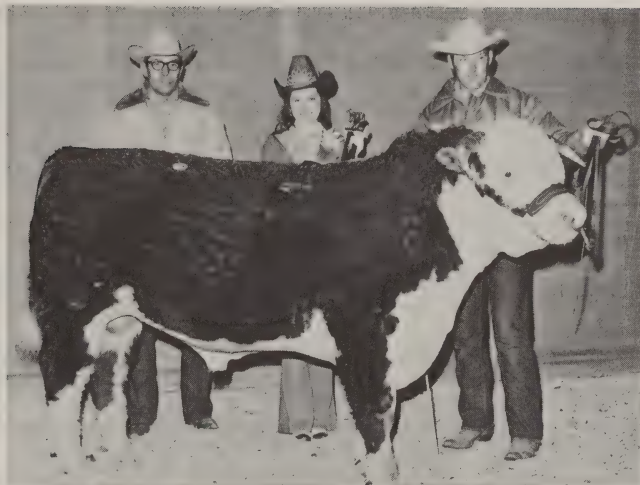

In these times a farmer or rancher must be many things to ensure the success of his operation. One of the most important of all is to be an investor. Putting cattle and grain money to work earning the highest interest possible until it is again needed is what First Federal does for you. At First Federal we're doing something to make your money earn more.

COMMON CENTS -- About your neighbor

Wendell Neafus and Sons - Antioch, Nebraska (700 Angus cows)

"Our first Double Hook Bull sired 49 calves as a yearling. We pulled 3 calves and have topped our sales with these Charolais X-Bds. Needless to say we have purchased five more bulls."

Rothwell Ranches, Bill Rothwell, Hyannis, Nebraska (500 Hereford Cows)

"We weaned our first set of Charolais sired calves this fall. All sired by a Double Hook yearling bull; the heifers weighed 581 lbs. at 7 mos. and the steers 512 lbs. at 5½ mos. We're looking forward to more Charolais sired calves next year."

Mose Hebbert, Hyannis, Nebraska (400 x-bd cows)

"We use entirely Double Hook bulls in our herd. Our complete set of steer calves minus 16 club calves brought us \$320-hd at weaning. Our pen of second place X-BD feeder steers in San Francisco this year averaged \$731 each. . ."

TERMS AND CONDITIONS

The Black Hills Stock Show, co-sponsored by Central States Fair and the Rapid City Chamber of Commerce, solely in the interest of improving quality and increasing livestock members in the upper mid-west area, takes pride in presenting this offering of **QUALITY PUREBRED LIVESTOCK**.

Through the cooperation of the respective breed associations, every effort has been made to produce only such consignments that are a credit to their association. **The terms and conditions under which the sale will be conducted are as follows:**

1. The Black Hills Stock Show is open to all exhibitors. There will be no restrictions based on place of residence of consignors or buyers.
2. All animals consigned to the Show must be sold through the Stock Show Sales Ring unless they are screened out at the time of the show.
3. Grading of all animals will be made by the judge for each individual breed at the time of the show. Animals will be graded A, B, and C. Animals classified as C will not be sold; the entry fee will be forfeited; the animals must be removed from the sale barn immediately following the Show (judging).
4. No bid-ins allowed at the sale. **ALL ANIMALS MUST BE OWNED BY CONSIGNOR SIX MONTHS PRIOR TO ENTRY DATE.**
5. Any changes from information of any kind in the catalog will be announced from the auction box and such announcements shall take precedence.
6. Each consignor accepts the responsibility of guarantee of his own cattle and has the privilege of giving additional guarantee of his cattle at the time of their sale in the auction ring. The Black Hills Stock Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animals future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.
7. Each animal will be sold without reservation to the highest bidder.
8. Buyers will assume all risk on animals as soon as they are declared sold.
9. The auctioneer will settle all disputes as to bids.
10. All animals of breeding age are guaranteed breeders. All entered animals are guaranteed to be without known defects, but nothing further. Animals failing to breed after a trial of six months may be returned to the farm of the seller if in good condition. The seller reserves the right for six months to try said animal and if it proves a breeder to return it to the station of the buyer at his expense. If said animal proves sterile, a satisfactory exchange will be made or purchase price refunded.
11. Terms of every sale are cash. Settlement to be made with sale clerk, at the time of the sale unless special arrangements are made with the clerk.
12. All cattle will be sold in order that they are placed in the show. Placement will be made by Sales Superintendents.
13. No animal will be permitted to remain on the ground unless it is entered in the show.
14. All guarantees pertaining to Bred Heifers are strictly between the buyer and seller.
15. **ALL ANIMALS GOING THROUGH THE RING FOR SALE AND UPON WHICH A BID IS MADE MUST BE PAID FOR THROUGH THE BLACK HILLS STOCK SHOW. CERTIFICATES OF REGISTRY WILL NOT BE RELEASED UNTIL SUCH TIME AS THIS IS DONE. NO DEVIATIONS WILL BE PERMITTED.**
16. The Black Hills Stock Show reserves to the Manager and the Committee the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the show.
17. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Black Hills Stock Show, the management or anyone helping the sale assumes no responsibility for accident or injury. The Black Hills Stock Show management and personnel will not be held responsible for any injury or loss of any animals or accidents, thereby, although every precaution will be taken to safeguard the welfare of all livestock consigned.
18. Health Papers will be furnished for cattle to go to any state and Canada.

NOT
EVERYTHING THAT
GOES "BUMP"
IN THE DARK
IS UNFRIENDLY

(BUT HOW CAN YOU TELL
IF YOU CAN'T SEE?)

Semi-darkness or darkness can play tricks on your vision. That "bump" might be just a neighbor's cat or it could be something more menacing. A Private Area Light, while costing only a few pennies

a night, can pay big dividends in peace of mind and protection of your property. A broad area of light will let you see what caused that "bump". . . it discourages prowlers too; bright light is not for them. A Private Area Light means safety, convenience, even a longer evening for tinkers and lawn games.

Visit your nearest BLACK HILLS POWER & LIGHT CO.
office and ask about a Private Area Light . . .
you'll be glad you did.
